The Best Place for

YOUNG FAMILIES

From a couple's wedding, through baby namings, Bar and Bat Mitzvot, and even High School graduations, Beth Torah is the perfect place for your family! Beth Torah is host to the award winning Suzy Fischer Early Childhood program, which begins at six months old. We are also home to Hochberg Prep, the fastest growing Conservative Jewish Prep School in the country. For years Beth Torah has been synonymous with a dynamic and diverse Scheck Family Religious School and excellent Youth programs that send our kids to conventions, trips to NYC, and more! Beth Torah is THE place for your family to call home.

EMPTY NESTERS

Our adult education classes, renowned guest speakers, cultural and social events are designed to offer empty nesters opportunities for study and enrichment while meeting new people and friends. Our annual trips to Israel are unique experiences to create even deeper bonds with Judaism, Israel and each other. Joining our synagogue is an ideal way to become part of a larger family. With the kids out of the house, this is your time!

DIVERSE COMMUNITIES

Beth Torah prides itself on being the most welcoming synagogue in South Florida. It is a point that is driven home from the board room to the sanctuary. It is because of this philosophy that Beth Torah finds itself home to a very diverse community in the Aventura / NMB area that includes all Jews, Inter-Faith families, and international communities. Events for our diverse membership include a High Holy Day Service and Passover Seder done entirely in Spanish, special movie screenings, Israeli films, and many more!

SNOW BIRDS

Beth Torah boasts one of the largest snow bird membership groups of any synagogue in South Florida. Snow Birds enjoy special rates and special programming during the time that they are here. Chanukah and Tu B'Shevat are always fun at Beth Torah and if you are here to enjoy Purim, it is a one of a kind night! Snow Birds visiting from around North America choose Beth Torah to call their spiritual home during the winter months.

RABBI MARIO ROJZMAN

Born in Buenos Aires, Argentina, Rabbi Mario Rojzman has been at Beth Torah since 2003. Rabbi Rojzman is a deep thinker and his sermons teach from a different viewpoint than most. His unique ability to pose questions and engage the audience will have you contemplating his words and lesson long after you leave the synagogue.

His interest and involvement on social affairs granted him invitations as a guest speaker from various prestigious institutions, such as Inter American Development Bank, the UNESCO and the World Bank. His activism in interreligious affairs took him on trips to Jerusalem and Rome, where he had meet with Pope John Paul II in 1998, Pope Benedict XVI in 2007, and in 2013 with Pope Francis, who he knows from Argentina.

He has been honored as one of the 100 most influential Latinos living in Miami through "100 Latinos".
